### SUNMATCH

Code: **SUNMATCH**

**\$195 + GST**

Scangrip is Europe's leading supplier of work lights for professionals and what is unique about these lights is the special LED technology with high CRI (Colour Rendering Index) value to replicate daylight for perfect colour recognition.

Depending on the type of job at hand, SUNMATCH 3 features an outstanding ALL DAYLIGHT function, providing you with the option to choose between 5 DIFFERENT COLOUR TEMPERATURES, especially useful for bright and dark coloured surfaces. A spotlight for inspection is also included at the top.

The SUNMATCH 3 is supplied with a two-step operating option:  
Step 1 = 100% light output    Step 2 = 50% light output

SUNMATCH 3 is always ready to use and easy to find when placed in its charging base after each job. With its durable construction, the SUNMATCH 3 is both dust and waterproof, IP65. Supplied with a solvent resistant glass lens and a battery indicator at the front that shows when the battery must be recharged.

Features: \* The lights accurately highlight pigments including metallics and pearls.
