WEBSITE: WHILE OUR REPRESENTATIVES ARE AWAY IT IS THE PERFECT OPPORTUNITY TO TRY OUR WEBSITE TO MAKE YOUR ORDERS. Please send us an email at **joyce@raj.co.nz** and we can set up your login.

PACER BANANA LIQUID WAX

Code: **PWAX** **\$25 + GST** Original price \$29.75+GST

Pacer® Banana Wax uses nano technology and carnauba wax to deliver an extended protection while providing a deep "wet look" gloss and shine. It is highly durable and has excellent dirt-repelling properties. Safe on all modern paint finishes. It is also bodyshop-safe and gives a fresh banana scent. Ideal for automotive and marine applications.

- Nano Technology: Super high gloss polish with Nano Technology for extended wax protection and dirt repelling properties.
- Versatile: Suitable for automotive, marine and aerospace applications.
- Bodyshop Approved: Contains no volatile silicones
- Easy to apply: Wipe on – polish off.
- Durable: Delivers a deep 'wet-look' gloss and shine combined with extra durability vs conventional polishes.
- Low Chalk: Minimises rubber or plastic staining – No dusting problems.
- User/Environment Friendly: Unique water based formulation contains no aromatic solvents.

CAR SYSTEM EXPLORER LTD COVERALL

With the new Carsystem EXPLORER Ltd Coverall, you not only look great, the protective suit also offers a variety of practical storage options on jacket and trousers. Due to the proportion of carbon fibres in the material, the protective suit is antistatic and promises a good fit as well. Of course, the painting suit is dust-, silicone- and lint-free and washable.

- Material: 98% polyester, 2% carbon
- Two-piece protective suit of PPE Cat. I
- Jacket and trousers can be ordered separately
- Comfortable • Very good fit
- Antistatic due to carbon fibers

Benefits:

- Individual size selection of jacket and trousers
- Ventilation at the back and under the arms through breathable mesh fabric
- Many storage options on jacket and trousers
- Zip cover provides additional protection against overspray
- Antistatic coating (EN 1149-1:2006)

GRIT GUARD FOR WASH BUCKET (BOX OF 2)

Code: **GGUARD** **\$25 + GST** Original price \$35+GST

SOLD IN A BOX OF 2

The Grit Guard fits in the bottom of your wash bucket and separates the grit from the mitt or brush! Allows for a clean, scratch-free wash mitt/ brush every time you go back to the bucket for more suds. Potentially harmful dirt settles to the bottom of the bucket, keeping it out of your mitt/ brush and off the paint work. This simple and cost effective method helps protect painted surfaces from swirl marks and scratches, 265mm wide this guard fits most buckets.

SUMMER PROMOTION: BUY FLEX SANDERS 10% OFF plus FREE PACER TELESCOPIC STOOL

Code: **FLEX486809** 3MM ORBIT Code: **FLEX486817** 5MM ORBIT

Available in two orbit options:

- 3mm Orbit - The 3mm orbit is designed for sanding applications using P320 and higher abrasives. The tighter orbit, combined with the high rpm is ideal for extra fine sanding to deliver a high quality finish
- 5mm Orbit - The 5mm orbit is for fast stock removal when sandingbody fillers, primers and old paint.

Original price \$775 +GST

FLEX ORE ELECTRIC 150MM DA PALM SANDER

- Advanced brushless motor - being brushless, Flex sanders offer better performance, greater efficiency, and even more durability.
- Perfectly balanced for a low-vibration operation.
- No triggers to pull here, just a power on/off button and a 6-speed dial. Once the FLEX brushless sander is powered on, then just set the speed dial to your desired power/ speed. Speed "1" delivers 6,000 no-load rpm and "6" turns it up to 10,000 no-load rpm.

SUMMER PROMOTION: 25% OFF OF PACER CUPS, GET A FREE PACER STOOL* IF BUY FOUR CARTONS OF PACER CUPS.

Enjoy **25% off** your purchase of Pacer Cups.

Plus get a free Pacer Stool* if you buy any four cartons of Pacer Cups on one invoice.

Pacer Cups™ are a paint preparation system that replaces the traditional mixing cups, paint strainers and spray gun gravity pots as an all in one system. Specifically designed adapters allow painters to use the Pacer Cup™ System with popular spray gun models. Simply mix the paint in the outer cup that has a disposable sleeve, click on the disposable lid which has a filter and then attach this to the spray gun to begin working. A key advantage of this closed system is that it enables a painter's spray gun to function well at any angle, even upside down!

* while stocks last

Code: **PSTOOL**

Features:

- Eliminates mixing cups
- Easy storage of mixed paints
- The Pacer outer cup features printed mixing ratios
- Reduces solvent usage (up to 70% in the clean up of guns)
- Unique design allows the lid to be re-opened, paint refilled and system re-sealed
- Eliminates paint strainers
